

October 14, 2021

Dear Diverse Harmony Supporter,

We are approaching our 20th year, thanks to you. Our donors have stood with us over the years and seen us through good times and lean times.

Diverse Harmony is the nation's first queer/straight alliance youth chorus and early in our formation we were loved into existence by the good folks at Companis.

We are inviting you to attend Companis' Biennial fundraising event of which Diverse Harmony is a sponsor.

Companis provides Diverse Harmony and hundreds of other nonprofit agencies with volunteer professional staff support. We're currently benefitting from Companis Workers Niko Purcell, new choir recruitment manager, Heidi Toppel, our business manager, and web and media specialist Judith Card.

Companis' every two-year special fundraising event, Biennial '21, "Where Compassion Meets Action," takes place on Thursday, October 21st, online. You can register for this 30-minute program, free of charge. Here's the link: <https://secure.givelively.org/event/companis-mission-workers-association/biennial-21/biennial-2021>

The support that Companis offers Diverse Harmony is mutually beneficial. They stand with us and we stand with them. Thank you for considering our invitation to support Companis' great work.

Gratefully,  
Bob Sittig  
Board President
